

# In the Interim

**January 10, 2022**

## **Change in Worship Location**

At their meeting on January 9<sup>th</sup>, the Congregation Council decided that since the current Covid numbers in Bucks County are at the Severe level that we would move back to live streaming on the Facebook page with only Pastor Sue and Cathy Heller in the sanctuary. This is being done for the safety of all especially since Omicron is so easily transmissible and people already vaccinated and boosted are getting sick, some for a second time. The Council will reassess the situation at their next meeting on Sunday, February 6<sup>th</sup>.

This **Sunday, January 16 at 9 am** we will celebrate Epiphany 2 with Pastor Sue preaching.

## **Pastor Sue's Availability This Week**

Last week, our daughter, Kristina, was suddenly admitted to the Hospital of the University of Pennsylvania. It was determined that she would require surgery for a herniated disc ASAP. Because of the devastation that Covid has created on hospital staff and OR availability, she was sent home to stay with us so we could care for her prior to her surgery and afterwards. Due to this family emergency, I am solely working from home and my schedule is uncertain as we await news from the surgeon.

I thank you for your understanding and I ask for prayers for Kristina both as we await surgery and during her healing process to come.
