## Worship in the Pavilion

We will continue weekly worship in the pavilion at 9:00 a.m. unless the weather turns severe. This **Sunday, October 18th, Deacon Kathie Afflerbach will lead worship.** More information on weekly worship is located here: <http://www.christslutheran.com/outdoor-worship.html>

## A Word About Sign-up Genius

We've heard that there is some reluctance to "sign up" for church for a variety of reasons. Please know that we are using this tool so that we can do contact tracing should we need to and so we know how many to expect to assist the ushers.

If you aren't able to use Sign-up Genius, please call or email the church office by Thursday October 22 at noon and let Alexis know when you'd like to attend church.

Attendance will be restricted to 27 in addition to the worship leaders. We do not anticipate surpassing this number. Sign-ups are currently live for October 25<sup>th</sup> and November 1<sup>st</sup>.

*If you are a lector or usher you don't need to sign-up. We've already reserved a place for you. Please notify the Church Office should you switch duties with someone last minute so we can note it for contact tracing purposes.*

## All Saint's Sunday

Things will be different this year because of Covid when it comes to our remembrance of all the dearly departed saints. Because of the 30-minute worship restriction for meeting indoors, we have decided to pre-light all the candles in remembrance of the Saints on All Saint's Sunday, November 1st. Names that we have as last week will be printed in the bulletin and there will be a familiar prayerful recognition of the Saints.

### **When You're in the Hospital**

Although we are in the green phase, we will not be visiting our hospitals and nursing facilities at this time. However, we would like very much for you to contact us if you, a member of your family or another member is hospitalized or is moved into a nursing facility so that you or we can contact the facility and explore options. We are doing our best to remain in contact with people using phone calls, internet means, personal notes and through the institutional chaplains. Thanks for your assistance.

Blessings for the week ahead,  
*Pastor Sue Lang*
