Meetings this week:

Wednesday, November 18 at 7pm – Pre-Confirmation Zoom with Confirmands and Parents

Worship in the Sanctuary

We will be in the sanctuary on Sunday, November 22nd at 9:00 a.m. This week is Christ the King Sunday. **Pastor Sue will preach and preside at Communion.** Please use Sign-up Genius to indicate your attendance that day.

Worship on Facebook Live

Last week's worship service is posted on the church's Facebook page at: <https://www.facebook.com/ChristTrumbauersville> We'll be making adjustments as we go to improve the quality of the live stream. According to those without personal Facebook pages you can still access the live feed which will be recorded and posted on the Church's page every week. The live feed sends a notification when it starts and all you need to do is click on it to enlarge it. Let us know if your only access has been to dial into the Zoom. We're looking at options available to you.

Worship Attendance

Sunday, November 8: 13

Sunday, November 15: 26

A Word About Sign-up Genius

Sign-up Genius will remain open through Sunday morning 8 am so those who want to attend last minute can. **Council coordinators** for that Sunday will then have to print the list or bring it up on their phone rather than having Alexis print it. If you need to call the office to

sign-up we request that you do so before Alexis' last day in the office that week so that your request can be recorded. *Also consider contacting friends who have access to signing you up.* You have a variety of options.

Attendance will be restricted to 27 in addition to the worship leaders. We do not anticipate surpassing this number.

If you are a Council coordinator, lector or usher you don't need to sign-up. We've already reserved a place for you. Please notify the Church Office should you switch duties with someone last minute so we can note it for contact tracing purposes.

When You're in the Hospital

Although we are in the green phase, we will not be visiting our hospitals and nursing facilities at this time. However, we would like very much for you to contact us if you, a member of your family or another member is hospitalized or is moved into a nursing facility so that you or we can contact the facility and explore options. We are doing our best to remain in contact with people using phone calls, internet means, personal notes and through the institutional chaplains. Thanks for your assistance.

Blessings for the week ahead,
Pastor Sue Lang
