## When You're in the Hospital

Although we are in the green phase, we will not be visiting our hospitals and nursing facilities at this time. However, we would like very much for you to contact us if you, a member of your family or another member is hospitalized or is moved into a nursing facility so that you or we can contact the facility and explore options. We are doing our best to remain in contact with people using phone calls, internet means, personal notes and through the institutional chaplains. Thanks for your assistance.

Blessings for the week ahead,

*Pastor Sue Lang*
